

CAR SEAT SAFETY

Hello Baby partners are dedicated to ensuring the safety of your child(ren).

SAFE TRAVELS

Car seats, when properly used, are the most effective way to save lives and reduce the risk of injury in an accident. **To ensure your child is protected while traveling in a vehicle, get to know the car seat and watch instructional video on proper installation.**

1 GET TO KNOW THE CAR SEAT

Refer to the manual included with the car seat. Become familiar with your vehicle and car seat parts used in the installation process which will be via anchors or a seat belt.

2 CAR SEAT INSTALLATION

Follow the 2-minute installation instruction video based on parts being used (anchors or seat belt)

SAFE SLEEP: CRIBETTE

Hello Baby partners are dedicated to ensuring the safety of your child(ren).

SAFE SLEEP

A safe and comfortable sleep space can help your baby get a good night's sleep while giving you peace of mind. The Cribette provided by Cribs for Kids offers that safe space for your baby to sleep.

Follow the important safety information and watch instructional video to properly use and set up your Cribette.

RECOMMENDED USE

Bassinet Insert: For infants who weigh less than 15 pounds. Stop using the Bassinet Insert when the infant begins to push up on hands and knees or weighs over 15 pounds (6.8 kg) whichever comes first.

Cribette: For babies who weigh more than 15 pounds, but less than 30 pounds. Stop using the Cribette when the child reaches 35 inches (89 cm) in height, weighs more than 30 pounds (14 kg), or is able to climb out.

★ IMPORTANT SAFETY INFORMATION

- **Do not place** decorative pillows, quilts, comforters, sheepskins or stuffed animals in the Bassinet/Cribette while your baby is sleeping, as they may prevent proper air circulation around your baby's face.
- Use only a fitted bottom sheet that is specifically made for the Cribette.
- When your child is able to push up on hands and knees discontinue use of the bassinet feature.

📺 INSTRUCTIONAL VIDEO

In order to receive a free Cribette you are required to watch this 3-minute YouTube video. This will help you properly and safely use the Cribette for your baby.
